March 2007

When Jesus fed the five thousand with only five loaves of bread and two fish, He was showing us how God's love can multiply the effects of our generosity. He didn't distribute the abundance of what God provided by himself. He used 13 partners that were commissioned that day to participate with him in a miracle. First, the little boy who offered his meager gift. Second, he used his 12 disciples who were learning how to minister as Jesus did. We see through this gospel story that even the smallest act of generosity can grow into something far beyond what we could ever ask or imagine.

In seasons of growth, the Lord brings along new partners and provisions to further His kingdom work. And with this comes blessings and lasting relationships. We meet on the common ground of God's love for the sake of His people. We are extending an invitation for you to help us reach God's people even as Jesus taught us that day on the hill.

International Networkx is preparing for another year of miracles greater than what we've seen in the past:

The miracle of a child being rescued from the clutches of death where he lives on the streets of a looming Eastern European city.

The miracle of an oppressed young man using his strength and talent to build a house of prayer, recognizing for the first time ever that God gave the forest for such a time as this.

The miracle of living another day because God sent a counselor to rescue a depressed teenager from a world of drug addiction.

We trust the Spirit of God who is guiding us toward more miracles like these is also guiding friends who will partner with us. Thank you for taking time to pray and ask God if you are to be a part of the ministry of International Networkx this year. If so, would you please take a moment to fill out the partner card and send it back to us.

Sincerely,

Becky
