April – May 2008:
God's grace is sufficient

Dear Friend and Partner,

We are continuing spreading the Good News among orphans. April and May were challenging as we had to go on in faith regarding the Centre's building project. Another challenge was the office rent (we have to have the office to maintain the charity status), which went up to 700 euro for a small room. That meant we had to move out and therefore we don't have a phone or easy internet access currently. The rent of one of the Warm Homes apartments also was raised. However, we know that His grace is sufficient and still continue 'running the race', serving the orphaned kids through our programmes.

- **'YUMM!' COOKING CLASSES IN KLETSK AND RADOSHKOVICH ORPHANAGES**

One of the most popular programmes in orphanages is 'Yumm!' cooking classes we hold to help the kids learn the basics of cooking before they will start leaving on their own. This year's programme went really well, and was full of new creative ideas and fun. It was good to sit together at one table, sharing the food and fellowship. Another special thing about it was that it was run by our teens who are staying in the Warm Homes.

- **'YOU ARE SPECIAL' SELF-ESTEEM PROGRAMME IN RUDENSK SPECIAL NEEDS ORPHANAGE**

'You are Special' is another programme we run in orphanages, and it is aimed at raising orphans' self-esteem. For most of orphans their view of their worth is critically low. It is especially true of special needs kids who we started to help last year. We have just come from a very successful trip to their orphanage where the teens were excited to learn that they are truly SPECIAL.

- **CENTRE FOR POST ORPHANAGE ADAPTATION REPAIRS: CONTINUING STANDING IN FAITH**

We are continuing going in faith regarding the finances to finish up the project of the Centre which will open its doors to 30 orphans staying there at the same time. The money we have at the moment (given as a special offering of thanks to God by our friends who moved to Ukraine) is barely enough to whitewash the ceiling and wallpaper the rooms on the top floor in the three rooms we are redecorating for newcomers. Finances are the reason we can't start working on the lower floor (this is

where the teens are staying at the moment), and yet there are so many orphans who we could accommodate and give them a future and hope. Please stand in faith with us regarding this project.

- **WARM HOMES RUNNING: PROVIDING FOOD AND HOME, PRAYER AND COUNSELLING**

Warm Homes (Lena's, Tamara's and Larisa's in Pinsk) are running. We now have another lady who agreed to join our team and she is serving in Kolodischi. Her name is Tamara.

Every weekend teens gather together in the Centre in Kolodischi to pray for their needs, the ministry as well as for our partners. We believe in 100 fold return of every seed sown into this ministry.

Thank you for serving the orphans of Belarus together with us!

With much love, *Varya and With Love For Kids Team*
