**June – July 2008:**  
**Living Faith Every Day**

Dear Friend and Partner,

June and July were a time when we had to stand in faith and continue walking in the direction God has called us to despite a lot of official red tape. Because of moving out of the office we had to reregister our Charter which required a patience and trusting in Him. Sometimes living here literally means living on the edge as we are often pushed to accomplish the impossible (and indeed without Him it is impossible) in order to continuing spreading the Good News among the orphans. Here are some of the projects which involved exercising living faith every day during these two months:

- **CENTRE FOR POST ORPHANAGE ADAPTATION REPAIRS: CONTINUING FAITH**

New ceiling      New bathroom top floor      New bathroom & room      2<sup>nd</sup> shower

Showers in the basement      New heating system installed, top floor      Varya & Rev. Tamara, who oversees construction

We are continuing repairs in the Centre. Please agree with us in prayer regarding the necessary official documents needed for the approval of the building (sanitary, fire safety and other norms).

- **GRADUATION CEREMONIES IN KLETSK AND RADOSHKOVICH ORPHANAGES**

Graduation is one of the most special moments in the life of an orphan. It is the time when he or she leaves the only home they've had for years and they are going out into the wide world, alone. It is important to help them make feel special at this time. For several years we have tried to help orphans in a few orphanages get nice hair cuts and make up (and sometimes rent a nice dress ware for the occasion).

- **WARM HOMES RUNNING: SAYING GOOD-BYE TO SOME OF OUR ORPHANS**

Warm Homes (Lena's, Tamara's and Larisa's in Pinsk) as well as our Centre in Kolodischi (despite the ongoing repairs) are running. Every weekend teens continue to gather together in the Centre in Kolodischi to pray for their needs, the ministry as well as for our partners.

We are also saying to good-bye to some of our teens, who have been with us for two or three years. They have now finished their education and are either continuing their studies at the next level or started working. Some of them, like Yura, feel called to be preaching the Good News at the places they have gone to. *Yura's new dorm*

- **MEETING WITH THE FOUNDERS OF KOLODISCHI CENTRE: THEY SAW THEIR DREAM COMING TRUE**

God gave us a short but wonderful meeting with the people who started this project with Kolodischi: Piet and Dineke Compaan from Holland. It was wonderful to meet with them (they visited our Saturday prayer meeting) and they were delighted to meet all the teens there, in the house that they once started for the children in need of a place to stay. It also was a blessing to us and our teens to see the people who started the project they are now benefiting from.

- **ONCOMING CAMP: LEAVING IN 10 DAY'S TIME**

This year we are going to have our Camp of Social and Psychological Adaptation. We are hoping to **get at least 12 constant newcomers – new Christians** – for next year as well as **to raise the team in Pinsk who will be doing the follow up with them and helping the warm home in Pinsk**, currently run by Larissa only. We also have some people in Mogilev (another regional centre) who are interested in starting a Warm Home there. So please pray for the camp.
